Faraday Copper Commences Trading on the OTCQX Under the Symbol CPPKF

August 25, 2022 – Vancouver, British Columbia – Faraday Copper Corp. (“**Faraday**” or the “**Company**”) (CSE:FDY) (OTCQX:CPPKF) is pleased to announce that today the Company’s common shares commence trading on the OTCQX® Best Market (the “OTCQX”), an over-the-counter public market in the U.S., under the symbol “CPPKF”. Trading on the OTCQX is expected to enhance the visibility and accessibility of the Company to U.S. investors. Faraday will continue to trade on the Canadian Securities Exchange (the “CSE”) under the symbol “FDY”.

Paul Harbidge, President and CEO, commented “We are very pleased to begin trading on OTCQX, thus reaching another important milestone for the Company. The inclusion on OTCQX provides greater Company visibility, investment accessibility and trading liquidity, while strengthening our shareholder base. Now, current and prospective shareholders have an enhanced ability to participate in the Company’s growth potential as we continue to develop our U.S.-based copper projects to support the global electrification initiatives.”

The OTCQX is designed for established, investor-focused U.S. and international companies. To qualify for OTCQX, companies must meet high financial standards, follow best practice corporate governance and demonstrate compliance with applicable securities laws. Upgrading to the OTCQX is an important step for Faraday, as the Company seeks to provide transparent trading and build visibility among U.S. investors. Investors can find current financial disclosure and Real-Time Level 2 quotes for Faraday at www.otcmarkets.com.

About OTC Markets Group Inc.

[OTC Markets Group Inc.](http://www.otcmarkets.com) operates the OTCQX® Best Market, the OTCQB® Venture Market and the Pink® Open Market for 12,000 U.S. and international securities. Its OTC Link® Alternative Trading Systems (ATSS) provides critical market infrastructure that broker-dealers rely on to facilitate trading and offers public companies more efficient access to the U.S. financial markets.

About Faraday Copper

[Faraday Copper](http://www.faradaycopper.com) is a Canadian exploration company focused on advancing two copper projects in The United States of America. The [Copper Creek project](#), located in Arizona, is one of the largest undeveloped copper projects in North America with open pit and bulk underground mining potential. The [Contact Copper project](#), located in Nevada, provides potential for a low-cost open pit, heap leach, oxide project. The Company is well-funded to deliver on its key milestones and benefits from a management team and board of directors with senior mining company experience and expertise. Faraday trades on the CSE under the symbol “FDY”.

Cautionary Note on Forward Looking Statements

Some of the statements in this news release, other than statements of historical fact, are “forward-looking statements” and are based on the opinions and estimates of management as of the date such statements are made and are necessarily based on estimates and assumptions that are inherently subject to known and unknown risks, uncertainties and other factors that may cause actual results, level of activity, performance or achievements of Faraday to be materially different from those expressed or implied by such forward-looking statements. Such forward-looking statements and forward-looking information specifically include, but are not limited to, statements concerning the ability of U.S. shareholder to participate in the Company’s growth potential.

Although Faraday believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements should not be in any way construed as guarantees of future performance and actual results or developments may differ materially. Accordingly, readers should not place undue reliance on forward-looking statements or information.

Factors that could cause actual results to differ materially from those in forward-looking statements include without limitation: market prices for metals; the conclusions of detailed feasibility and technical analyses; lower than expected grades and quantities of resources; receipt of regulatory approval; receipt of shareholder approval; mining rates and recovery rates; significant capital requirements; price volatility in the spot and forward markets for commodities; fluctuations in rates of exchange; taxation; controls, regulations and political or economic developments in the countries in which Faraday does or may carry on business; the speculative nature of mineral exploration and development, competition; loss of key employees; rising costs of labour, supplies, fuel and equipment; actual results of current exploration or reclamation activities; accidents; labour disputes; defective title to mineral claims or property or contests over claims to mineral properties; unexpected delays and costs inherent to consulting and accommodating rights of Indigenous peoples and other groups; risks, uncertainties and unanticipated delays associated with obtaining and maintaining necessary licenses, permits and authorizations and complying with permitting requirements, including those associated with the Copper Creek property; and uncertainties with respect to any future acquisitions by Faraday. In addition, there are risks and hazards associated with the business of mineral exploration, development and mining, including environmental events and hazards, industrial accidents, unusual or unexpected formations, pressures, cave-ins, flooding and the risk of inadequate insurance or inability to obtain insurance to cover these risks as well as “Risk Factors” included in Faraday’s disclosure documents filed on and available at www.sedar.com.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction. This news release is not, and under no circumstances is to be construed as, a prospectus, an offering memorandum, an advertisement or a public offering of securities in Faraday in Canada, the United States or any other jurisdiction. No securities commission or similar authority in Canada or in the United States has reviewed or in any way passed upon this news release, and any representation to the contrary is an offence.
